

Dear Parents and Students:

Welcome back! Hopefully you had a relaxing spring break and everyone in your family is healthy and practicing sheltering in place and social distancing. The district continues to monitor state and federal guidelines and rulings to inform our decisions. We will keep you informed, when updates become available. As we resume teaching tomorrow, we want to share the following with you.

1. Please make sure that your child signs into homeroom every morning before 10am. Click the following link to sign in: [Attendance Sign-In](#). This link can also be found under News and Events [BRMS Weekly Schedule](#). If your child is unable to log in independently, we ask that a parent/guardian log in for that child. This is important as we must continue to account for student attendance during our distance learning days.
2. Please ensure that your child continues to complete and submit work. If you encounter a technical problem or if your child is having difficulty, please contact your child's teacher and counselor.
3. We have made a change to the middle school schedule to reduce the number of classes that students have in one day and lessen some of the stress that they may be experiencing. Starting tomorrow, April 14, we will be moving to an A/B schedule (see below). The new schedule is also posted on our website, and will be updated each week with the designation of a day as an A Day or B Day. Tomorrow, April 14th, the MS schedule will be an A Day. [BRMS Weekly Schedule](#)

BRMS A/B Distance Learning Schedule				
	Start	End	A Day	B Day
	7:35	8:30	ISP/Interventions/Choral and Instrumental Music. All teachers available for additional office hours.	
	8:35	9:22	TB 1	TB 5
