Bridgewater-Raritan Regional School District Student Quarantine Guidelines

The Bridgewater-Raritan Regional School District's quarantine guidelines listed below are based on the most recent set forth by the New Jersey Department of Health.

- **Positive Covid Test:**
 - If your child has tested positive for COVID 19 they are required to isolate (quarantine) for ten days.
- **If your child is experiencing symptoms consistent with COVID 19**
 - Students are required to isolate (quarantine) for ten days unless a negative COVID 19 test is received.
- **If your child is a close contact to someone who has tested positive for COVID 19**
 - **Exposed close contacts who have no symptoms and are fully vaccinated:**
 - Do not need to quarantine if they are identified as a close contact to a person who has tested positive for COVID 19.
 - Should be tested 5-7 days following an exposure should monitor for symptoms of Covid-19 for 14 days following exposure.
 - **Exposed close contacts who are unvaccinated**
 - Will be required to quarantine for ten days unless a negative COVID 19 test taken between days five and seven of quarantine is received.
 - If a negative COVID 19 test result is received the student will be able to return after day seven of quarantine. (return on day 8)
 - **Exposed close contacts who have no symptoms and have been diagnosed with Covid-19 in the last 90 days**
 - Do not need to quarantine or be excluded from school.
 - Should be tested for Covid-19 and should monitor symptoms for 14 days following exposure.

As each student's individual circumstances are unique it is imperative to contact your child's school nurse to ensure everyone's safety.
